

KINGDOM KIDS CHRISTMAS FUNCTION: 12 December 2010

A big and heartfelt thank you for all who made this function possible - all teams who assisted with the arrangements and preparations, as well as our donors and partners who generously contributed to this occasion, namely Fruits (Unlimited Group), Frozen Fairy (ice cream lollies) and Pixel Perfect (Christmas banner).

Approximately 500 children and 150 mamas (many more than anticipated) attended, and despite the holy chaos, all were fed *boerewors* rolls (a la Community in Action), the regular kids got beautiful *Intercede* T-shirts, everyone got fruit and the little ones received lollies.

All in all a good day in the Kingdom - many mamas gave their hearts to Jesus and a few even received Bibles (next year we'll have more)!
